Dr. J. Hastings,

St. Cyrus, Montrose,

Scotland.

My dear Dr. Hastings:

I am sending you a copy of the article that I promised you on the Pastoral Epistles Timothy and Titus for your new Dictionary of the Apostolic Age. I have put a good deal of time on the subject and I have endeavoured to bring my information up to date. I hope that it will not be too long, and I do not think that it runs beyond 15,000 words.

As I am to be absent from Canada for the next two months there is no need of sending me a proof until September.

With kind regards, I am,

Yours sincerely,

President.
